

# Big Enough to Hold Me

<sup>A</sup>  
The space in my mind is too small for You  
<sup>E</sup>  
The space in my heart is too small for You too  
<sup>A</sup>  
And all of the things on the earth that I know  
<sup>E</sup>  
Are too small for all of the greatness You show  
<sup>C#</sup>  
But in all of this I'm still facing my needs  
<sup>Bsus</sup>  
And I'm scared of how big they feel to me

<sup>E</sup>  
I know You, You, You  
<sup>A</sup>  
are big enough to hold me (repeat)  
<sup>E</sup> <sup>A</sup> <sup>E-A</sup>  
I know you Lord, yeah You will carry me through

<sup>F#</sup>  
<sup>m</sup>  
How great  
<sup>E-Bsus</sup>  
How high  
<sup>F#</sup>  
<sup>m</sup>  
How deep  
<sup>E-Bsus</sup>  
How wide  
<sup>C#</sup>  
<sup>m</sup>  
Is Your love
