Who has been most influential in your life, in shaping your walk with God? *How* have they impacted your life?

How and when did you come into a relationship with God?

What are you passionate about (willing to sacrifice or suffer for)?

How would you define this past season of your life? (roles you played that shaped you, relationships, places you went, discoveries...)

Have you had any formal, intentional, discipleship training in the past? If so, where, with whom, and when?

Why is the Greenhouse Training Community attractive as a next step in your journey?
Who recommended you to consider doing this?

Thank you very much for filling out this application. We look forward to learning more about you! The Greenhouse Training Community staff will contact you soon to set up an interview, so we can intersect with you in all God is doing in your life during this season.

Confirmation of Participation and Payment Agreement Form

Commitment to the Greenhouse Training Community

- ❑ I am willing to spend a year, committed to intense discipleship training, to being loved by God and others, and to loving those around me. I'd like to set myself apart in a special way to intentionally experience the relationships, the learning, the growing, the discovering, the worshipping, the frustration, the working, the laughing, the serving, the breaking, the traveling, the dreaming, and the celebrating of life that comes with being a disciple of Christ.
- ❑ I confirm that this is my top priority, that everything else in my life fits around this, and that I gladly give myself to all the expectations of a full time participant in the Greenhouse Training Community.
- ❑ I understand that there are two outreach trips that I am responsible for, one in January and one in the summer months, that I will be responsible for raising support money for.

Fees and Payments

\$350

1st payment of \$175 due on the first day of class,
2nd payment of \$175 due at the start of second semester

Checks payable to: Mad City Church

Along with my commitment to the year of participation in the Greenhouse Training Community, I will fulfill all financial obligations to the Greenhouse Training Community.
